membership form

2026-2027

JOIN TODAY!

Crayton Middle School is a stronger school with the support of our parents and families! The Crayton PTO helps fund programs and purchase supplies that enrich the learning environment of our students. We need YOUR help! The success of the PTO and our ability to support our school depends on your financial contributions, so thank you for your generosity! All members receive a monthly e-newsletter with important school dates and details about everything from academics to extracurricular activities. Membership in the PTO does not require volunteer participation... unless you choose to volunteer! Opportunities to volunteer at the School Store and teacher luncheons are shared with members in our e-newsletter.
